## **DETAILED ACTION**

### ***Specification***

The disclosure is objected to because of the following informalities: after further consideration the cross-references section of the specification is not proper. Applicant is required to furnish an adequate priority. Application 09/248,627 cannot be a CIP of 08/716,016 because the alleged parent was not pending at the time the child application was filed. Applicant is required to review the entire section and provide an explanation regarding the proper priority date.

Appropriate correction is required.

### ***Allowable Subject Matter***

Claims 1-57 are allowed.

### ***Response to Arguments***

Applicant is advised the indicated allowability will be withdrawn if the priority date is later than 4-28-93. Applicant is also advised the next action will be made final.
